

RENAULT CAPTUR

compact and assertive SUV

Powerful front end, esprit Alpine version with iconic sporty style, Renault Captur asserts its urban suv character. With generous interior space, Google built openR link multimedia system⁽¹⁾ and advanced driver-assistance systems, it stands out in every respect.

Enjoy a thrilling drive in the exciting 113kW Captur engine.

113kW 1.3L Turbo	Over 500km range in one tank ⁽²⁾	up to 616 litres ⁽³⁾ of boot volume ⁽⁴⁾
Google built openR link multimedia system ⁽¹⁾	recycled materials	advanced driving-assistance systems

(1) Google, Google Play, Google Maps, Waze and other brand names are trademarks of Google LLC. (2) with a full tank of petrol according to WLTP data (including the reserve tank). (3) depending on engine and with bench seat in the forward position. (4) equivalent volume measured according to the VDA standard (ISO 3832) of 404, 518 and 1,363 dm³ for the petrol version. (the VDA standard involves measuring the total volume of the boot using standardised shape and volume objects (200 mm x 100 mm x 50 mm = 1 dm³)).

powerful style

Muscular front grille, streamlined headlight optics, satin shale grey F1® blade and redesigned Renault emblem. A sharper design for an ever more inspired style.

Dark chrome emblem, crystal rear lights, esprit Alpine signature badges on the front wings, and assertive sportiness of the 19" elixir alloy wheels exclusive to this version.

Rediscover Captur's DNA with its timeless two-tone touch. The piano black roof colour enhances the possible combinations.

arctic white highland pearl black roof

on-board experience

Immerse yourself in its eco-chic sports interior made using recycled materials. Select your driving style for a personalised driving experience thanks to multi-sense and its 4 modes⁽¹⁾.

Thanks to wireless mirroring, all of your apps, playlists, podcasts and calls are displayed on the multimedia screen. The wireless charger always ensures an optimal level of independence.

The esprit Alpine stands out with its blue top-stitching and a steering wheel adorned with blue/white/red stitching. Each seat back features the Alpine emblem.

(1) with extended grip option. (2) available on esprit Alpine only.

03. driving pleasure

engine excellence

**Renault Captur offers
a petrol engine with
excellent performance.**

openR link multimedia system

With its central 10.4" screen and 7" TFT screen⁽³⁾, the openR link multimedia system offers intuitive access to smartphone replication.

Seamlessly enjoy your Android Auto™. Apply CarPlay™ apps on your large 10.4 inch infotainment screen.

Waze™ is a community-based navigation app that shares information in real time. Waze boosts your peace of mind.

compact and generous

The interior space can be adjusted according to your needs thanks to the ingenious 16 cm sliding rear bench seat. This gives passengers knee room of up to 22 cm. You can reduce it to free up more space in the loading area.

The boot of up to 616 litres⁽¹⁾⁽²⁾ is extremely practical with its modular volume. In the blink of an eye, fold down the rear bench seat and enjoy total loading space of up to 1,596 litres⁽¹⁾, ideal for transporting long objects.

(1) depending on engine and with bench seat in the forward position. (2) equivalent volume measured.

06. advanced driver-assistance systems

advanced driver-assistance systems

rear parking space exit warning when reversing
The driver is warned when an object (vehicle, motorcycle, bicycle, etc.) approaches from the rear of the vehicle with a risk of collision.

360° sensors
360 sensors allow you to perform otherwise difficult manoeuvres effortlessly.

driver-assistance systems

- hill start assist
- predictive eco-driver assistant
- speed limiter
- cruise control

park assist systems

- rear parking assist
- front parking assist
- side parking assist
- rear view camera

safety assistance systems

- occupant safe exit alert
- blind spot warning
- rear parking space exit warning when reversing
- automatic switching between main / dipped beam headlights

accessories

retractable towbar
With Renault's innovative electric-towing system, you can tow a trailer or carry bikes with minimum fuss.

premium sidesteps
Emphasise the car's SUV design and also allow easy access to the roof load.

esprit Alpine floor mats
The premium quality extends to the front and rear mats with blue stitching that adds a touch of sophistication. The distinctive signature features the Alpine logo on the front mats.

high-comfort black cushions on rear headrests
For first-class travel, opt for the rear headrest cushion, which adds style and a feeling of well-being.

(1) depending on version.

dimensions and volumes

boot volume (in litres)(1)

boot volume, bench seat in rear position	484
boot volume, bench seat in forward position	616
boot volume, bench seat folded down	1,596

dimensions in (mm). All volumes are with repair/inflation kit (without spare wheel)
(1) volume according to the VDA (ISO 3832) standard: the standard involves measuring the total volume of the boot using standardised shape and volume objects (200 mm x 100 mm x 50 mm = 1 dm³).
Equivalent for petrol: 404, 518 and 1,363 dm³

the human first program is a comprehensive safety programme developed by Renault in collaboration with researchers, experts and firefighters.

because road safety concerns all road users, whether they are pedestrians, cyclists, motorists, the human first program by Renault is committed to:

- 1. prevent accidents by developing safety equipment and advanced driver-assistance and safety systems**

advanced driver-assistance systems/more than 60 safety features, up to 7 airbags, child seats (Isofix), Renault Fixe4sure solution / more than 2,000 safety-related patents filed since 1970
- 2. manage accidents once they have happened by drawing on innovations developed in collaboration with the fire service**

QRescue / Fireman Access / more than 5,000 firefighters trained over 10 years in 20 countries worldwide / around 400 cars donated per year for their training
- 3. reduce the number of accidents and their severity by investing massively in R&D**

safety score / safety coach / connected services / big data / artificial intelligence and cybersecurity systems
