RENAULT KWID

you'll know you've arrived

Welcome to the world of the Renault Kwid. The Kwid is both modern and assertive; the front fascia exudes a sense of aggression which is nowhere to be found amongst its competition. The Kwid's sleek style is underlined by Signature Ornate Lighting. The SUV-styled headlamps and silver streak LED DRLs create a striking impression. At the rear, tail lamps with LED light guides leave a distinct trail.

The exterior design is further enhanced with the boomerang shaped sculpted roof with arching roof rails. The stylish grille and its imposing front adds prominence to the Kwid's renowned SUV-look, while the 14" multi-spoke wheels with a high 180mm ground clearance further accentuate the SUV stance. The Kwid also comes with SUV-styled skid plates that prevent damage to the underbody on rough terrain, ensuring a hassle-free drive and complete peace-of-mind.

Features and images may vary and be optional depending on model, and are subject to change without notice.

style that speaks for itself

The Renault Kwid is built to stand out.

Announce your arrival. Let the world take notice. Be the centre of attention. The Renault Kwid awaits you. Get behind the wheel and make a statement. The Kwid is now even bolder, more stylish and loaded with features like never before.

With enhanced SUV-inspired design details and next-gen technology, the Kwid pushes the boundaries in style, design and technology. Its signature lighting brings a new dimension to the car's pronounced exterior, while the stylish grille and the muscular 14" Volcano Grey multi-spoke wheels elevate its imposing stance.

The impressive interior further compliments the striking exterior, making the Kwid a style icon inside and out. The Kwid's design strategy symbolises dynamic performance, robust strength and a taste for adventure. Its muscular and tough appearance enhances the SUV-inspired stance, which offers a high driving position and greater visibility, making it ideal for zipping around in urban traffic or cruising down the open highway.

the next level of comfort and convenience

Discover comfort and convenience like never before in the Renault Kwid.

The dashboard gives a quality and sportier design impression, while the chrome finishes in the interior make it more premium. The digital instrument cluster and piano black centre fascia with chrome surround harmoniously house the centrally-positioned 8" MediaNav[®] Evolution system creating a contemporary high-quality feel that combines style and practicality.

A surprisingly roomy interior that comfortably seats 5 is complemented by a host of convenient features. The adaptable ergonomic seats with bolster support offer superior comfort and a high driving position for better visibility, while the electric power steering makes driving a breeze. Power assisted windows offer convenience at your fingertips while the powerful aircon makes every drive a pleasure.

The cabin space is optimised with ample storage spaces including a mobile and wallet storage in the front console, a glove box, a parcel shelf and bottle holders within the front doors. Be it a short drive or a long journey, now every trip with the Kwid is even more convenient with front and rear power sockets, front and rear power windows and a new fast USB charger.

Features and images may vary and be optional depending on model, and are subject to change without notice. *Available on Climber version only.

technology that keeps you ahead

The latest Kwid is future-ready. It features a fully digital instrument cluster with LED illumination and sportier graphics. The digital tachometer and gear shift indicator assist in driving at an optimum speed for better fuel efficiency, while the on-board computer keeps the driver informed about relevant driving-related info-like fuel consumption, average speed and distance to empty.

The best-in-class 8" touchscreen MediaNav[®] Evolution takes infotainment to the next level with Apple CarPlay, Android Auto, Video Playback and Voice Recognition. Furthermore, the floor console mounted AMT Dial with three modes is designed to make driving effortless, while the best-in-class Reverse Parking Camera with guidelines helps you park even in the tightest spots.

Features and images may vary and be optional depending on model, and are subject to change without notice.

be more vibrant

Get ready to steal the limelight with the Renault Kwid Climber. Sporting vibrant body colours with white accents, this car brings you a bold combination of style and excitement.

Its robust appeal is enhanced with the Climber insignia and protection cladding on the doors, two-tone exterior mirrors and rugged bumper over-riders. The 6-spoke wheels and arching roof rails with white details make it look sportier.

The Kwid Climber’s eye-catching interior complements its stylish exterior. The piano black centre fascia with white contours seamlessly blends with the upholstery inscribed with the Climber insignia. The vibrant white accents continue on the door trims, side air vents and extend to the two-tone gear knob as well. The 3-spoke steering wheel features unique orange perforations. The sporty contoured seats with integrated headrests add to the car’s uncompromised comfort.

The Kwid is available in the unique turquoise colour, Zanskar Blue which enhances its assertive stance.

Features and images may vary and be optional depending on model, and are subject to change without notice.

driving innovation

The Renault Kwid AMT features Easy-R Technology – a revolutionary 5-speed AMT.

The centre console mounted AMT Dial has three modes – Reverse, Neutral and Drive – and is designed for effortless driving.

An advanced control unit automatically optimises gear shifting in accordance with driving conditions for smooth and regular acceleration.

Now enjoy a clutch-free driving experience and get ready to drive the future.

Features and images may vary and be optional depending on model, and are subject to change without notice.

safety above all

The Renault Kwid comes powered with a 1.0 litre SCe engine that makes driving smooth and engaging. The high-tech engine has been carefully crafted to deliver power, acceleration and great fuel efficiency from only 4.4L/100km*.

The high ground clearance further accentuates the SUV stance of the Kwid.

When it comes to safety there are no half-measures.

Renault Kwid is well equipped, with front disc brakes, ABS & EBD to ensure a safe drive in all weather conditions and on different road surfaces.

Passive safety features like Pro-Sense seat belts, driver, front passenger & side curtain airbags, reverse parking sensors and central locking system gives you the assurance of safety throughout your journey.

* Fuel consumption and CO₂ emissions are certified using a standard, regulated method.

ergo smart cabin

The Renault Kwid's spacious interiors offer a best-in-class boot space of 279 litres expandable up to a massive 620 litres. The spacious Ergo Smart cabin is designed for more comfort with thoughtful 4-way adjustable front seats.

The Kwid's interiors are made to grab your attention. Go ahead, let style take the front seat.

Renault Care

we strive to provide you with the highest level of after sales service so you can continue to enjoy your Renault ownership journey

5 Year / 150 000km Warranty
peace-of-mind comes standard

The Renault Warranty comes standard with every new vehicle, covering the costs of repair of any unexpected electronic or mechanical malfunctions, for a period of up to 5 years or 150 000km, whichever comes first.

Refer to the warranty booklet

Service / Maintenance Plans
standard or tailor-made options are available to suit your needs

A Service Plan is a cost-effective way to cover your Renault’s scheduled service programme, giving you full peace of mind for the duration of the Service Plan.

Purchase or upgrade your existing Service Plan to a comprehensive Maintenance Plan that not only covers the cost of your Renault scheduled service programme, but also covers the replacement, maintenance or repair of specific wear-and-tear items*.

The key benefits of a Renault Service Plan or Comprehensive Maintenance Plan are:

- 1. added value**
Service and Maintenance Plans are costed at preferential rates as well as offering protection from inflationary increases for the duration of the plan.

3. Renault expertise
Renault qualified technical personnel will attend to your vehicle.
- 2. full peace of mind**
Only genuine parts are used.

4. protect your warranty
All workmanship and parts warranted by Renault.

5. cost of wear & tear items covered (Maintenance Plan only)
Items covered: Clutch, exhaust, globes & fuses, shock absorbers, drive belts, battery, wiper blades, brakes.

*T’s & C’s Apply. Warranty does not cover wear and tear items such as shock absorbers, brake pads, clutch, cam belt, etc.

Parts availability

Renault ranks amongst South Africa’s motor industry leaders in affordable parts pricing. We strive to ensure an excellent level of parts availability at our Renault Dealerships.

Book a service online

Because your convenience matters to us, you can now book your service online at a dealer of your choice in a few easy steps. You could be eligible to qualify for vouchers and other rewards, by booking your service through our online portal, to make your experience that much more rewarding.

Go to www.renaultcarcare.co.za

24 hour roadside assistance

Whatever the emergency, we’ll always be there. Because your personal safety is of utmost importance to us, help is one phone call away. Simply dial **0861 114 352** for assistance or for a team to be dispatched to you.

Our 24 hour Roadside Assistance Plan covers all new Renault vehicles for a period of 5 years or 150 000km with an option for extension.
